DAY 5 · FRIDAY · FINISH

Support beams

Finish: add only what your bridge needs, then run your final prompt.

TODAY'S BRIDGE: STEEL SUSPENSION

My code _____ **My subject** _____

MY ANCHOR · STAYS THE SAME ALL WEEK

I'll know this worked if _____

Copy it from Monday. Only sharpen it if it got clearer.

Support beams: add a line only if your bridge needs it. Otherwise write "not needed."

Guardrails no more than / don't include _____

Stoplight before you answer, think through _____

GPS like this example _____

Diligence I'll check this real thing _____

My FINAL prompt (this is what I turn in)

_____

_____

_____

_____

How AI helped me, in one sentence: _____

PICTURE 5

Save it as code-5.

Compared to Picture 4, what changed?

_____

_____

Better, same, or worse? ☐ Better ☐ Same ☐ Worse

Penny's check

- ☐ Every beam is needed or marked "not needed."
- ☐ I checked one real thing.
- ☐ I said plainly that AI helped.
